

2012 Humanitarian Projects

Youth:

Youth Homeless Shelter

We brought food, clothing, baby kangaroos, backpacks and gift cards to the homeless teens.

Indigenous Cultures:

Adopt a Native American Elder

We are helping the Native American Elders again this year. Virginia is organizing a few Saturday's where we can help pack boxes for them to take to the reservation.

Extreme Poverty:

No Kill Animal Shelter

We will raise money for the no kill animal shelter in Salt Lake City. Many of these animals would be put to sleep if it wasn't for this amazing shelter. This shelter depends on donations to survive... therefore the animals depend on donations to survive.

Women's Causes:

Midvale Homeless Shelter

We will be holiday help for the children and mother's at the Midvale homeless shelter. We will get a count of all the children in the shelter... their ages and clothing sizes and bring a toy and outfit for each child.

Giving Tree:

We have ten children and three families, we would like to have a toy and outfit for each child as well as bring an entire Christmas dinner to the families.
